

## BACKGROUND INFORMATION

The **Naperville Sportsman's Club** (Club) is dedicated to preserving our community's outdoor heritage and the conservation of its natural resources. The Club promotes shotgun shooting sports with an emphasis on safety, education and recreation. We promote the use of non-toxic shotgun shells and bio-degradable targets.

**Incorporated in 1937**, the Club is a legacy of Naperville gun clubs dating back to the 1880s. Sportsman's Park is owned by the City, leased to the Park District and operated with help from the Club, which is responsible for much of the range's programming.

**The range offers American Trap for guests who know how to shoot**. In addition to weekly "open" shooting, the Club offers seasonal leagues, members' shoots as well as "registered" targets through the Amateur Trapshooting Association (ATA).

**Beginner instructional programs are available** through the Park District.

Contact the Park District for program pricing and availability...

## FACILITIES

The range is **15 fenced acres** within **Sportsman's Park**, offering lighted fields housing automatic traps throwing singles, doubles and wobbles targets from 16-27 yard distances.

Sportsman's clubhouse offers central heat and air, a wood burning fireplace, with ADA access and newly remodeled restrooms for men and women.

## BENEFITS

Members receive discounted shooting fees, access to the practice trap and equipment, ID badges, e-newsletters, as well as preferred pricing on shooting equipment and supplies.

New probationary members must be sponsored by an existing Club member.
